Thank you for your donation of food to the Palatine Township Food Pantry. We assist approximately 3000 people a month with nonperishable food donated by residents in our community. These families are single mothers, senior citizens and traditional families who have fallen on difficult times due to illness, loss of a job or just not enough income to spread around.

Thank you for reaching out to those less fortunate in our community. Without these donations and volunteer help, the Township Food Pantry would not be available to assist local families.

Sincerely,

Linda Fleming, Supervisor
