Dear Mr. Smith:

The Illinois Department of Transportation wishes to thank you for your participation in the Illinois Transportation Security Summit conducted September 17-19, 2007 at the Oak Brook Hills Marriott Resort. The summit was a success due to your input.

For those attendees who are seeking training hour's credit through the Illinois Emergency Management Agency, the summit has been awarded 12 training credit hours.

This letter awards Professional Development Hours for participation in the 2007 Illinois Transportation Security Summit.

September 18, 2007 8 Professional Development Hours
September 19, 2007 4 Professional Development Hours

Working together we can successfully coordinate transportation emergency response to all types of events. Again, we thank you for your successful participation.

Very truly yours,
